7. Withdrawal (Fill in this section only if you withdraw from the race)

Yacht: _____ Sail No: _____ Skipper: _____

It's unfortunate when a skipper makes the decision to withdraw a yacht from a race. However, it's imperative that you inform us of the circumstances of your withdrawal and whether you, your crew, and your yacht are safe and where you are located so we can inform your family and friends. We also need to know for reporting and scoring reasons, and we must keep Bermuda Radio informed about the status of all our yachts. Wherever you may be located at the time of withdrawal please urgently make every effort to reach us through the Offshore Communications Team at 508-538-1027, even if that means contacting another vessel and requesting a radio relay of your message.

Please take a few minutes to answer the following questions and provide details.

Reason for your withdrawal:

Any illness or injuries to crew or damage to the yacht:

What is your location? _____

Your telephone number? _____ **Your fax number?** _____

Your e-mail address? _____
