

# Marion Bermuda Cruising Yacht Race 2009 Safety at Sea Registration Form

## Last Minute Reservations

In order to register for the 2009 Safety at Sea Symposium please follow the link below to access the email registration form. We are trying to avoid having reservations still in the mail when the Symposium starts.

There is plenty of space for the Safety at Sea Symposium thanks to the new location at the 1,200 seat Kresge Auditorium. You are asked to bring a check to pay at the door but need to know you are coming. In addition, the Symposium fee includes the Safety at Sea Certificate to be issued by US Sailing so we need your personal details to make sure the certificate is correct.

Click here to register for Safety at Sea: <http://www.marionbermuda.com/sasform.shtml>

We'll see you at the Symposium on Saturday.

There are also a few seats left for the Sunday Practical Training Courses. You can find the description of the courses and the registration form here: <http://www.marionbermuda.com/practicalagenda.shtml>
