MARION -- MOORING REQUEST FORM

Use this form to reserve a mooring in Sippican Harbor for the period before the Marion Bermuda Race. The race Harbormaster will coordinate mooring assignments with private moorings, BYC moorings and the two boatyards in Marion. We will be able to accommodate all boats entered in the race.

Please email this form to race@marionbermuda.com when your plans are set and email details if there is a change to your arrival date.

When you arrive in the harbor, hail the Beverly Yacht Club launch on VHF Ch 68. They will direct you to your mooring.
