WHAT PROMPTED YOU TO DO THE RACE?

- The Challenge (my first Offshore Race)
- The People (Great Skipper & Crew)

WHAT SETS MARION BERMUDA APART FROM OTHER OCEAN RACES?

MB offers a great destination, a community of blue water sailors and the challenge of crossing the Gulf Stream

SUGGESTIONS FOR FIRST TIMERS:

Get experience doing coastal overnights. Get to know the Skipper, the Crew, and the Boat personally prior to signing on as crew. All need to work well together and those people may help save your life.
